"Knowledge Is Power and Happiness"

"It is Only the Ignorant Who Despise Education"

Foreword

Yesterday it happened. Today we remember it. But tomorrow—? So that we might not forget the precious memories of our high school days, we the class of nineteen hundred and forty-one, present this year book. It records our scholastic, social, and athletic activities, and if in future years this book helps us to recall vividly these happy days, we shall have achieved our aim.

Dedication

Twelve years ago Harold Cope came to our school as a teacher of biology and mathematics. His knowledge of these subjects and his patient teaching have helped to broaden these fields of study and have been a guiding influence to those whom he taught.

During this time he has served as faculty adviser to the staff of the "Orange and Black", and for the last five years as director of the athletic board. His work in the less publicized and seemingly small details of athletics, and his untiring effort to make the games a success have been a great factor in the maintenance of competitive sports.

Three years ago Mr. Cope compiled his notes into a work-book, "Biology For Life," and this book, having been accepted by the publishing company, is now serving schools in every state of the Union. This winter the edition was revised and is one of the finest work-books of its kind.

In grateful acknowledgement of his beneficial service, both in the classroom and on the athletic board, we dedicate this annual to Harold Cope, with sincerest appreciation of his progressive interest.

Sarah Jane Osborn.

Superintendent W. O. Moore
1923-1941

Professor W. O. Moore began his academic record as a teacher in Guernsey County in 1896. Wittenberg College, Springfield, is proud to claim him as a graduate and former teacher. It was there that he received his Master's Degree.

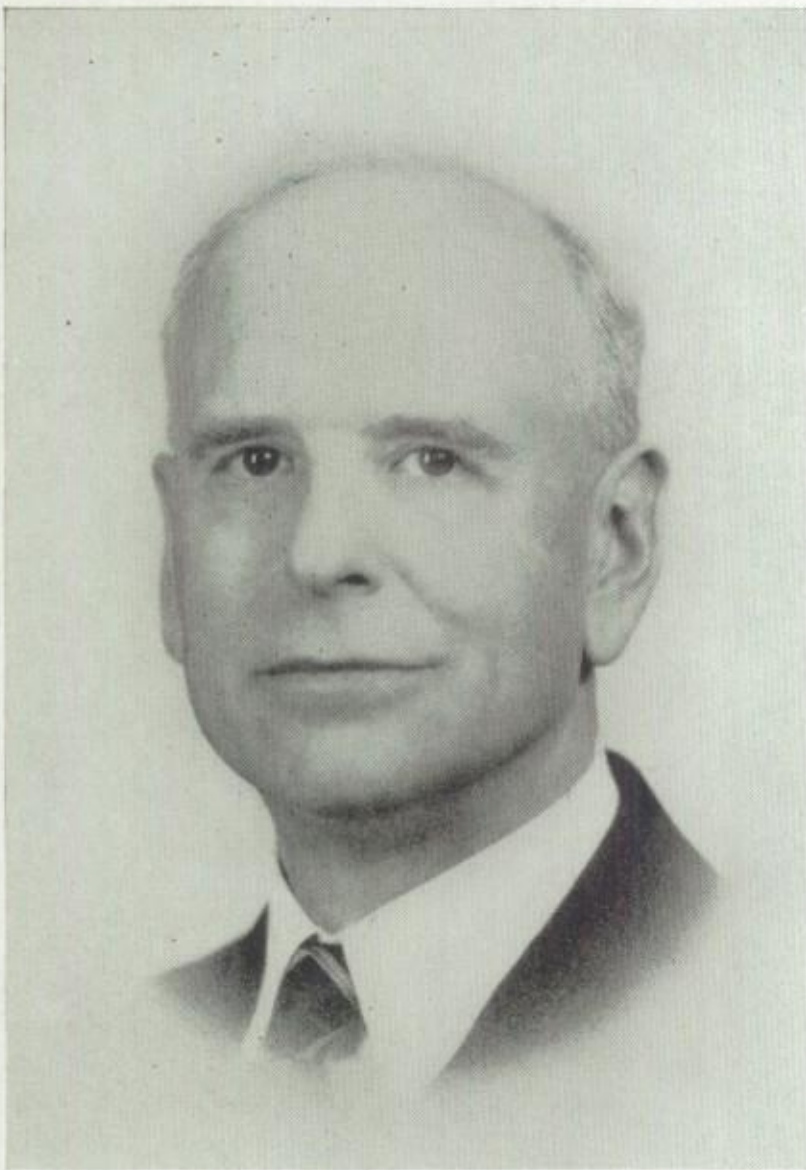

Mr. Moore came to Upper Sandusky from Mt. Gilead in 1923. At that time the high school had outgrown school facilities and was being conducted on half day programs. The next year, 1924, the Senior High School Building was erected at a cost of \$150,000, and stands as a tribute to the Board of Education and to Mr. Moore. The building was thought to be ample for Upper Sandusky's educational needs for some time, but in 1930, the surrounding community petitioned admission to the Upper Sandusky school system. Rather than erect an additional school plant outside the corporation, Upper Sandusky added twelve one-room districts, comprising all the schools of Crane township and portions of adjacent districts. This gave Upper Sandusky an educational system of city proportions and in 1936 the old Union Building was remodeled and a new grade building was added. The present Upper Sandusky school plant is commanding in appearance and adequate for the needs of pupils in all its details.

Mr. Moore has seen the Upper Sandusky High School double in size. His first graduating class, in 1924, was composed of forty-two members. This year he will see a class of eighty-five graduates.

While his school duties were always his foremost concern, he was active in civic affairs as well. For some years he was President of the Chamber of Commerce, ever seeking to give the entire community the best he had.

This year Mr. Moore tendered his resignation to the Board of Education. His eighteen years at Upper Sandusky High School have been genuinely successful.

Many of this year's graduating class were born in 1923, the year Mr. Moore came here, and are graduating in 1941, the year of his resignation. We are proud to have "grown up" with Mr. Moore.

Seniors:

Service, in these troublesome times,

Erases the selfishness of mankind;

Nor forgets the needs in other climes

Induced by greed for gain.

On our ears freedom's chimes

Reverberate the call of humankind

Seeking those who serve without gain.

Senior Class History

May 1, 1937.

Dear Diary:

As we have completed our first step in our upward climb toward that door marked Commencement, let us review our first successful year:

The officers were elected early in the fall at one of the well-attended meetings. Franklin Robey was chosen as President and his assistants were: Vice-President, William Wood, and Secretary-Treasurer, Donna Schwabel.

For the first time a check room was operated by classmen at all activities. This was our means of keeping out of the red.

The highlight of this year was our Freshman Party held on April first, which was well attended and truly quite a thrill.

The Freshman Class.

May 1, 1938.

Dear Diary:

Having successfully surmounted the step of "Hope" as Freshmen, and now ascended to the top of the one called "Courage," let us catch a glimpse of the past year.

At the first meeting of the year, officers were elected to guide us. We chose: Richard Schoenberger, President; Edward Strasser, Vice-President; Miriam Walton, Secretary; and Bill Wood, Treasurer.

Being sophomores we were given the privilege of joining the organizations, Hi-Y and G. R. We enjoyed the meetings and social events of these clubs.

As a class we participated in the pleasure of our two parties, the first, a dress party and the second, a hard-time party held in December and April, respectively.

We are enthusiastically looking forward to being upper classmen next year.

The Sophomore Class.

May 1, 1939.

Dear Diary:

Now we have mounted the step known as "Confidence." We have learned:

"Friends are like keepsakes

Growing more dear, more precious,
More cherished, year after year."

For our cabinet, we selected the following: President, Edward Strasser; Vice-President, Dale Blair; Secretary, Rebecca Myers; and Treasurer, Marian Bowen.

We started at once with plans for making money as we were responsible for entertaining the Seniors. Among

our ventures in this field were sponsoring a movie, selling candy, and our check room.

We had a grand time at our class party held in December. We danced to the music of the Swing Band. We also had a theater party. The show starred Deanna Durbin in "It's a Date," and we did have dates, didn't we?

The class of '41 has done it again! We are having a prom instead of the usual banquet for the Seniors. It is to be held the sixteenth of this month with Lee Russel's orchestra playing for dancing. Punch is to be served during the evening around the tepee campfire.

As we bring to a close this year, it is our desire to thank Mr. Gottfried, our able sponsor, for his co-operation in the past three years.

The Junior Class.

May 1, 1940.

Dear Diary:

We have reached the last and final step before opening the door, Commencement. This one we shall call "Determination."

Maurice Logsdon was chosen President, because of his personality and ability. Richard Schoenberger, one of our star athletes, was picked for the Vice-Presidency, and the xylophone artist, Sarah Jane Osborn, was nominated as Secretary. The able pianist, Virginia Hollanshead was appointed Treasurer.

Miss Erma Stearns, our sponsor, was always ready to give her valuable time in helping us with the small and sometimes very important problems that accompany being a Senior.

Early in the fall we selected as our class flower, the American Beauty Rose, colors, blue and silver, and motto, "Find a way or make one."

Looking back over the past four years, we see that we have been well represented. We have reached extensively in all fields of activity and are proud of our scholastic position.

Our history is not yet completed as we look forward to the most important of milestones, our graduation later this month. Class meetings will be quite numerous as we discuss: the class play, annual sales, baccalaureate, and commencement.

Now as we open this door, "Commencement," we do not know what it shall hold for us individually. We each shall follow different trails and know we shall "Find a way, or make one."

The Senior Class.

Barbara Dillon.

Post Graduates

Upper Sandusky High School proudly offers to all pupils desirous of furthering their knowledge, a course in post-graduate work. This year the group consisting of six girls, is centered in the commercial course. It is to them we owe our Orange and Black News, published weekly in the local newspaper. Anna Myrtle Ellis is editor-in-chief and Helen Bils fills the position of typist. Their column contains the honor roll, social activities of different organizations and class room highlights. By this the people of our community are constantly informed of how we spend our hours at Union School.

This group besides the hours spent working on shorthand, typing, and bookkeeping, unceasingly take preparation tests for Civil Service examinations. Under this course the girls are recommended for positions and often fill one before their course is finished. Some substitute periods for teachers by which they receive valuable experience. They help the teachers in various other ways by grading papers, running errands, and checking absent lists.

Virginia Castanien, an alumna of U. S. H. S., besides her commercial course, has joined the seniors in their headaches over chemistry.

Maxine Clements graduated from here last spring, but came back to resume her quest for knowledge.

Anna Myrtle Ellis, after four years spent at Eden High School, is now enrolled in this class.

Eloise Pool, having completed four years' work at Mt. Zion, came here this year and is an active post-graduate.

Madelon Shumaker graduated from Salem last year and to further her education came here this year.

Kathryn Taylor, another alumna of Salem, is enjoying this course.

Ruby Williams was welcomed back after her completion of four years of high school work.

Jessie Withrow attended college after her graduation from Upper, but came back this year for special work.

Helen Bils, another graduate of last year's class of Upper, is also prominent in post-graduate activities.

These girls deserve extra merit for continuing their education. The senior class wishes continuous success to all future post-grads.

Junior Class History

Listen! Listen! Peanuts, pop, candy, hot dogs, pop corn, here comes the Junior Class. Ever since the opening football game last fall, this has been the continual chant heard at all games.

The Junior Class is under the able leadership of the following officers: President, Paul Crum, director of the Swing Band; Vice-president, Russell Wolfe, known for his ability on grid-iron and hardwood; Secretary, Susan Matthew, that popular red-haired lass; and Treasurer, Robert Bils, one of our outstanding F. F. A. boys. Mr. Wolfe is their class adviser.

Two events mark their social calendar this year. First was the class party held at the Union School on the twenty-seventh of March. Dancing and games were enjoyed in the auditorium, followed by refreshments in the cafeteria. Second is the Junior-Senior Prom which they are planning to hold the latter part of May as a pleasing courtesy to the departing Senior Class.

You can't miss or overlook a Junior. They are seen in the limelight of all school activities whether it be musical, scholastic, social, or sports.

Next year when they hold the honored position as Seniors, we know they will progress with the same determination that has been theirs since they entered high school as Freshmen in the fall of '38.

Barbara Dillon.

Sophomore Class History

The Sophomores, now at the closing of their second year of high school, have been well represented in all school activities and their future as upper classmen looks very promising.

The important social event was the class party, held on November the twenty-ninth. The class co-operated in making this party a great success.

The class officers are: President, Delbert Barth and Vice-President, Leon Stephan, both promising future football stars at U. S. H. S.; Secretary, Phyllis Miller, known about school for her pleasant smile and personality; and Treasurer, Alice Bowman, whom you remember for her performance in the operetta this year. The class appreciates the assistance of Miss Neumeister, their adviser.

Each individual is looking forward to the thrills which accompany their Junior year. It is then that their first formal affair occurs after a year of heavy responsibilities. More power to you, Class of '43.

Freshman Class History

Entering at the very beginning of the adventurous road called high school, we see the Freshmen. It is their ultimate aim to graduate in four years, and the spirit with which they have started the journey shall surely carry them to their goal.

They enjoyed a clever patriotic party held on January twenty-fourth. Robert Bowman and Arthur Martin acted as masters of ceremonies with derbies and canes suitable for the occasion. They conducted a quiz which was followed by dancing to the music of the record player. They are planning another party to be held late in the spring.

Freshman class officers are: President, James Gohl; Vice-President, Jack Gillespie; Secretary, Eleanor Steinbaugh; Treasurer, Helen Stubbs. Miss Esther Schultz has filled well her position as class sponsor. The officers have proved worthy of the honor bestowed upon them when chosen to lead their classmates.

MURRAY WITHROW

For editor-in-chief of one of the largest undertakings of our school life, the Annual, we chose smiling, seventeen-year-old Murray Withrow.

When Murray wasn't appointing different people for certain jobs having to do with the Annual he was usually playing his cornet which he will tell you is his "pride and joy."

Upon graduation, Murray plans to enter college in a Liberal Arts course.

In his spare time, Murray may be found bowling or playing golf.

When asked his favorite food he admitted it was anything connected with—of all things—olives.

Next to olives, his favorite food is—more olives!

PATRICIA VIVIAN

We, of the Annual staff are proud to salute "Teed" Vivian who is one of us, because she holds the position of associate editor.

Patricia seems to possess a flair for writing, for in addition to being assistant editor, she is secretary of the Girl Reserves.

She admits that English is her favorite subject. In fact, she plans to attend college in the Education course.

Designing proves to be her favorite pastime.

Patricia's favorite sport is swimming.

She declares that she can eat almost ANYTHING so long as potato chips is not connected with it in any way.

Patricia just LOVES dogs, but has none, for as she puts it, "They all die."

PATRICIA CORNELY

This charming senior, who for the past two years has handled the position of drum majorette so beautifully and well, is Patricia "Pat" Cornely.

Aside from her duties as drum majorette she ranks at the top of the grade list and is the school's leading accordionist.

Pat will tell you that one of her best pals is her dog "Topsy."

When she graduates, Pat plans to enter a business college.

Pat has no hobby, but enjoys sitting through features.

Pat says that contrary to every rule, her favorite food is spinach.

DICK SWOVERLAND

Richard "Dick" Swoverland came into the limelight recently when he was elected president of the Sodalitas Latina. He also holds the position of business manager of the Annual.

Dick's favorite subject is chemistry. When he graduates from Upper he plans to enter Ohio State and study medicine.

In his spare time Dick likes to collect souvenirs and play with his dog "Dopey." Ping-pong is among his many sport interests.

When it comes to eating, pork chops is Dick's idea for "one grand meal."

ADDA JANE WEIKER

To the satisfaction of the Girl Reserves, Adda Jane Weiker was chosen president. She has filled this office faithfully and competently for the past year.

Adda was prominent in all girls' sports during her high school career, and was captain of the volley ball team in her senior year.

Not only for her achievements is Adda well known but also for her exceedingly likeable personality.

Adda's favorite sports are tennis, swimming, volley ball, and basketball.

Adda likes noodles better than any other food.

This well-known girl has many friends and acquaintances.

Adda spends much of her time in summer playing with her dog called "Boy."

JAMES MOON

Genial "Jim" Moon received the honor and responsibility of being elected president of the Hi-Y.

This seventeen-year-old Chorus and Glee Club member modestly told us of his hobby, also connected with music, that of playing his clarinet.

Jim says that where he is going to college and what he will take is still a "mystery" but he is looking forward to a higher education.

Our guess is that it will be something along the line of chemistry because chemistry is Jim's favorite subject.

Jim's chief sport interest lies in tennis.

ROSEMARY SPELLERBERG

Perhaps one of the most energetic seniors can be found here in the person of Rosemary Spellerberg, known to her many friends as "Spell."

Although Rosemary is president of the Spanish Club and treasurer of the Girl Reserves, she still finds time to type many of the absentee lists, Annual write-ups, and other miscellaneous articles pertaining to school activities.

Rosemary is planning to attend Miami University and enroll in the Journalism course.

Rosemary says she has no particularly favorite food, but we notice she thrives on vanilla cokes.

Her favorite sports are swimming and tennis.

MAURICE LOGSDON

With our class meeting at the beginning of our most important school year, Maurice Logsdon, better known as "Morry," came into prominence around "these here parts" by being elected president of our senior class by an overwhelming majority.

The entire senior class should be congratulated for its wise and thoughtful choice, for this is an office Maurice richly deserves.

Maurice intends to enter The John Carroll University in Cleveland in the Administration course.

When he isn't appointing committees for this and committees for that, one may find Maurice "tinkering with" or driving his "V-8."

When asked about his hobbies Maurice proceeded in naming several including: football, baseball, basketball, tennis, and swimming.

Maurice's chief school interest is physics.

Sodalitas Latina

The smell of frying hamburgers marked the picnic beginning the activities of the Cicero Club for this year. Because of the heavy schedules and many duties of its members, the club could not hold as many meetings as were planned. The meetings we had were held at the homes of the members and were spent by short talks on Cicero, games, and contests. The group also enjoyed the singing of Latin songs.

The special event of the year was the birthday cake which the class bought to celebrate Miss Stearns' birthday. Much to our surprise we found that we had picked the wrong day, but we celebrated it anyway.

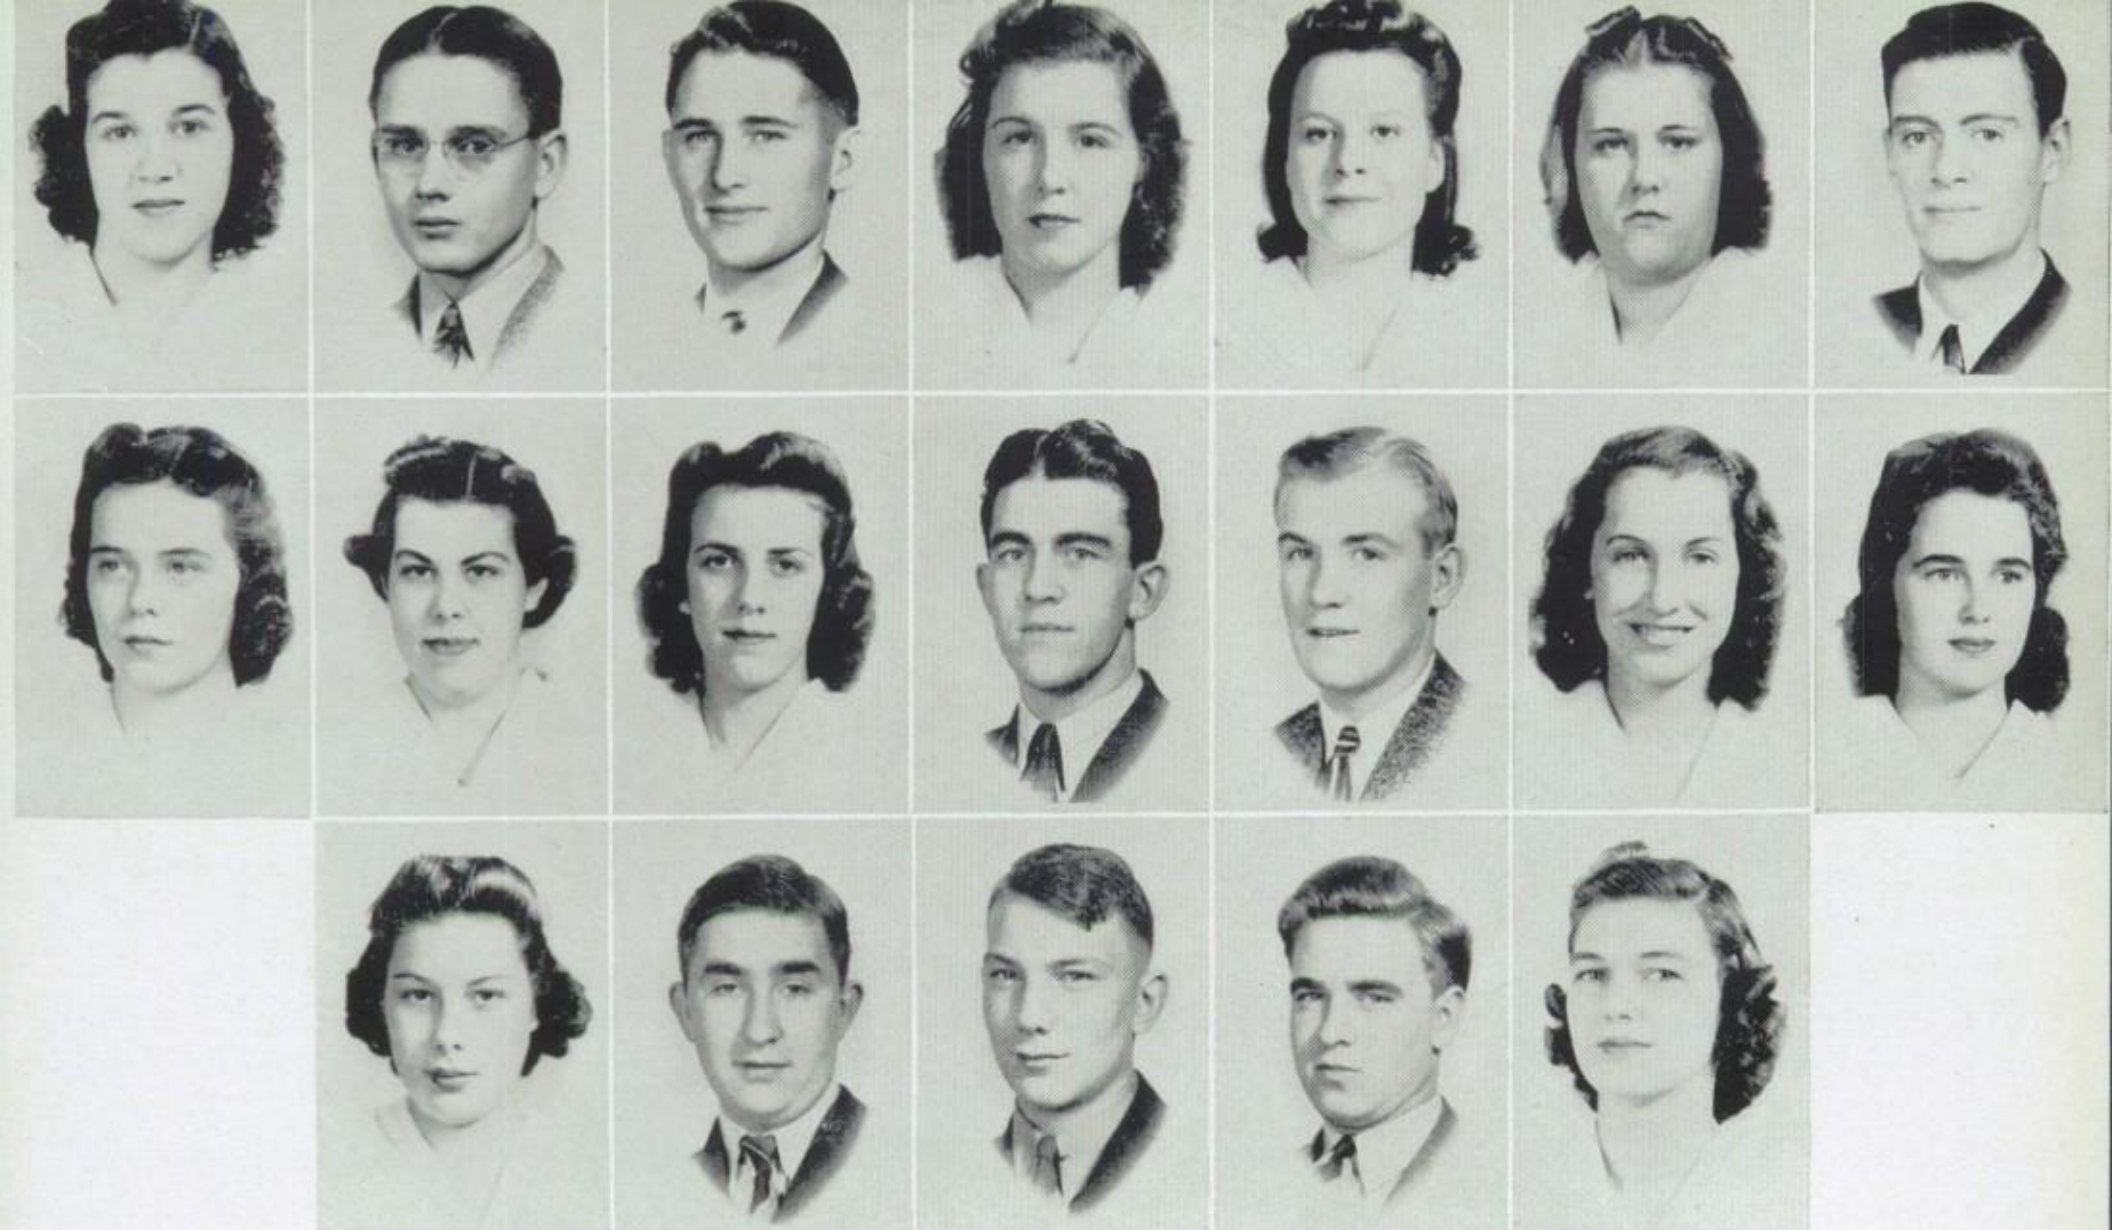

Sixteen members composed the Cicero class with the following officers: Richard Swoverland, President; Murray Withrow, Vice-President; and Adda Jane Weiker, Secretary-Treasurer.

The class is exceedingly grateful for the able leadership and assistance of the instructor, Miss Stearns, and we hope that next year's class may enjoy and appreciate this organization and leader as much as we have.

Adda Jane Weiker.

The Spanish Club was under a new sponsor this year, Mrs. Katherine Tucker. Officers for the year were: Rosemary Spellerberg, President; Miriam Walton, Vice-President; Franklin Robey, Secretary; and William Milum, Treasurer. Fourteen new members were initiated into the club at the High School during the month of March. Meetings were held every two weeks at the homes of different members. The members corresponded with students from South American countries, and they learned many things of interest through this.

Marching With Music

Fifty-eight boys and girls make up the personnel of the Upper Sandusky High School Band. Special emphasis is placed on both marching and concert work. The past year the band appeared at all home football games, at the more important out of town games, and at civic affairs. They also participated in the band festival held at Crestline. The band is gradually becoming an inseparable part of school and community life.

Mr. Assenheimer has been at the Upper Sandusky High School for the past five years. He has built up the musical organizations, both vocal and instrumental. The class of Forty-one wishes to congratulate Mr. Assenheimer on the fine progress he is making and wishes him continued success.

Richard Schoenberger.

MR. ASSENHEIMER

Drum Major

Patricia Cornely has been the band's drum major for the past two years. She has proved herself very successful in this position and brightened the appearance of the High School Band. The Class of Forty-one is proud to have Patricia among the graduates.

Richard Schoenberger.

The band, in their snappy orange and black uniforms, added a spirit of zest to the night ball games, and under the lights the formations were very colorful.

Officers included: President, Dick Schoenberger; Vice-President, Dick Guenther; Secretary, Murray Withrow; Treasurer, Dick Swoverland.

With the curtain slowly descending upon our high school days, we, the senior members of the band, linger for a moment to reminisce and to offer a token of gratitude to Mr. Assenheimer for his unselfish and untiring efforts in our behalf. May our under classmen march on to greater achievements under the capable direction of Mr. Assenheimer.

Patricia Cornely.

Swing Band

The Swing Band of U. S. H. S. has become one of the chief sources of enjoyment for the students and many other people. This band, under the capable direction of Paul Crum, meets twice a week and is efficiently assisted by Mr. Assenheimer. This year the band has twelve members.

In March, the Swing Band made its radio debut over WMRN, Marion, Ohio.

Long may this musical organization continue to drive dull care away by its lilting melodies!

Mildred Geiger.

SWING BAND—CREIGHTON MOON, Piano; PAUL KROCK, RICHARD SCHOENBERGER, JAMES MOON, Saxophones; MURRAY WITHROW, ROBERT VIVIAN, RICHARD LUCAS, Cornets; RICHARD SWOVERLAND, Drums; VERNON STOKER, DWIGHT KOEHLER, Trombones; PAUL CRUM, Director.

Pep Band

"Let's make music—sound the trumpet; beat the drums." This active organization was selected from the Senior Band to supply that spirit of vim, vigor and vitality, which helped the boys march on to victory. The music of the Pep Band tended to strengthen the morale of the team and its ardent followers. Three cheers for our Pep Band—the best in the land.

Patricia Cornely.

PEP BAND—JAMES MOON, PAUL KROCK, Clarinets; IRVIN RANGELER, THOMAS DENMAN, Drums; HAROLD BARDON, French Horn; CLYDE BENNETT, Bass; LEROY GOTTFRIED, Baritone; JACK LUST, Trombone; ROBERT VIVIAN, RICHARD LUCAS, MURRAY WITHROW, Cornets.

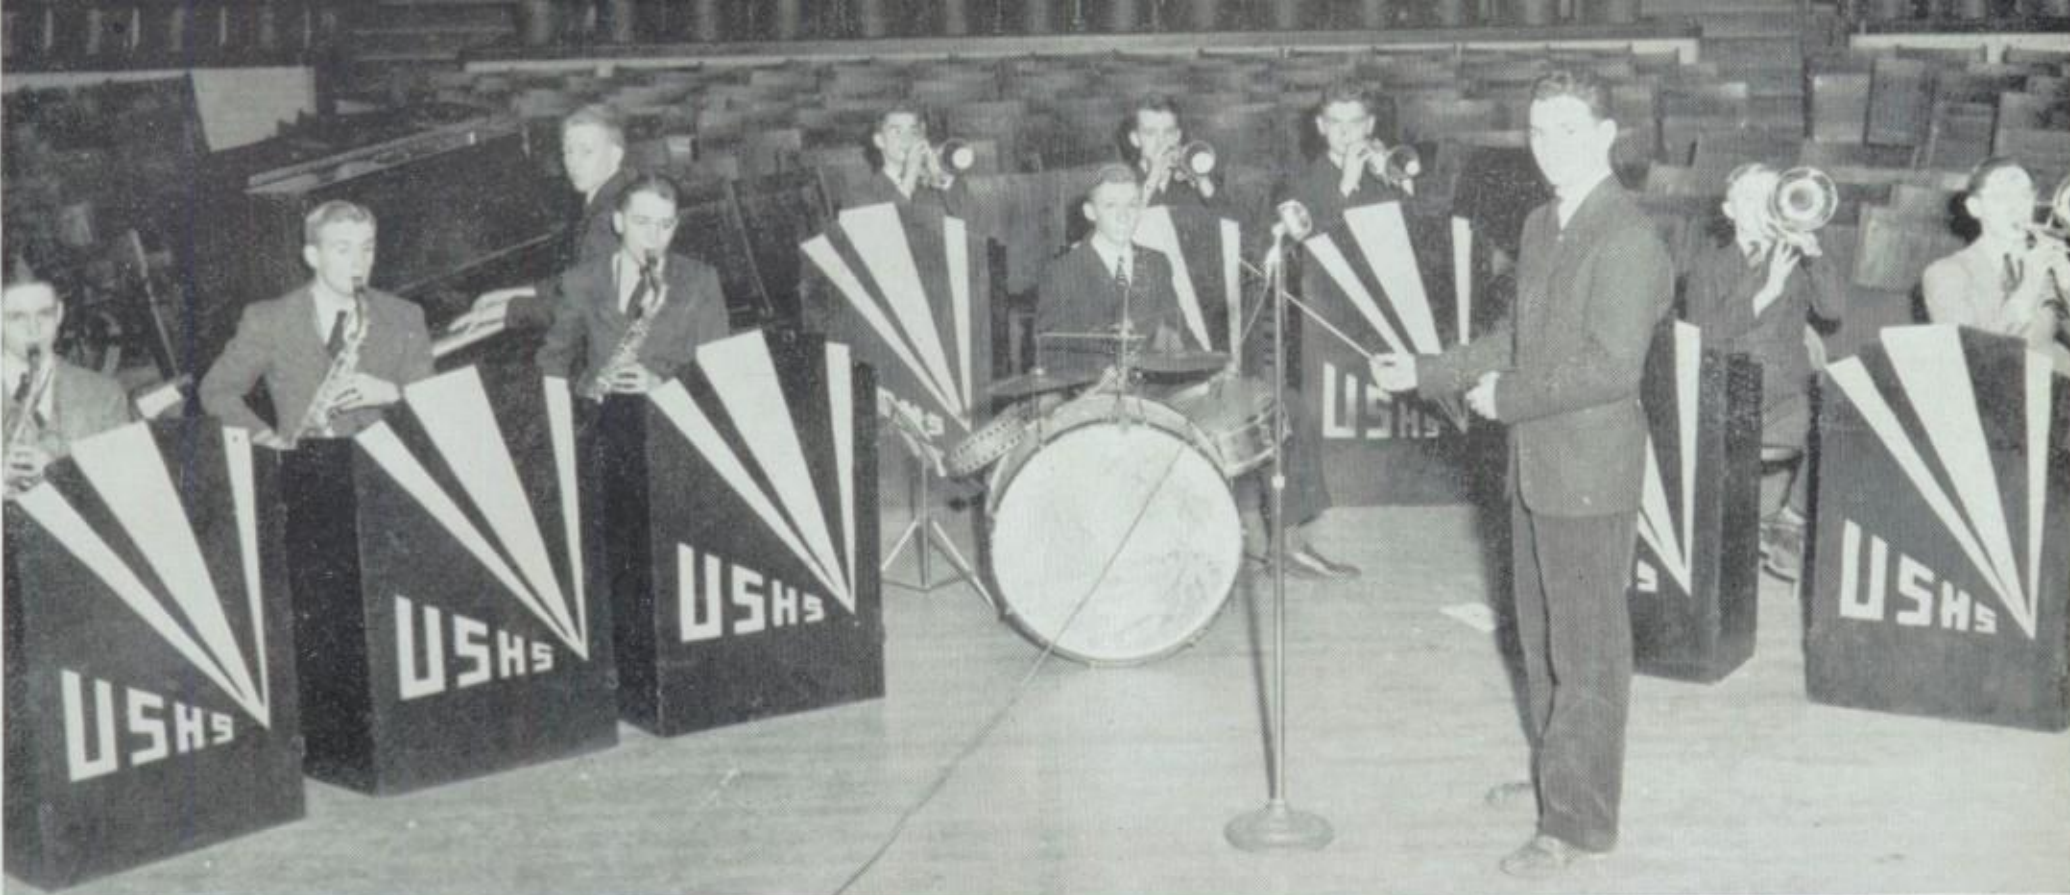

Junior Band

Junior Band is the preliminary training by which boys and girls interested in music are given an opportunity to prove themselves eligible for entrance into Senior Band. Mr. Assenheimer has made great progress in beating music into these individual aspirants, who are endeavoring to find the key to musical joy.

The old idea of the three "r's" being the main rudiments in education is rapidly vanishing; as music has been aptly termed an important essential to a well rounded and happy life.

Patricia Cornely.

JUNIOR BAND—DAVID BUSICK, GENE LUCAS, Trombones; MARILYN COURTAD, CALVIN LAY, Saxophones; FREDERICK FLEEMAN, Jr., GENE STANSBERRY, Drums; JOYCE HETZEL, JACQUELINE KRAUS, JOAN WEIKER, PHYLLIS WAGNER, PHYLLIS SWOVERLAND, Clarinets; ANETTA STOKER, Alto; CHARLES McCLAIN, ANN WALTON, Flutes; ALBERT REBER, MELFORD SWINEHART, Cornets.

Music is the first, the simplest, the most effective of all instruments of moral instruction. It plays an important part in the curriculum of the Upper Sandusky High School. All high school students, regardless of whether or not they are preparing for the attainment of artistry and scholarship in music, should be encouraged to grow in an appreciation of musical art.

This organization meets the eighth period every Tuesday, Thursday and Friday. Throughout the year, the orchestra appeared at school functions. They also furnished the music for the operetta, "The Chimes of Normandy." We can justly boast of our fine high school orchestra, directed by Mr. Assenheimer.

The officers elected were: President, Leroy Gottfried; Vice-President, Kathleen Denman; Secretary, Carol Strub; Treasurer, Dick Miner.

Patricia Cornely.

Out of the glee clubs of the high school are selected the singers who will make up the chorus. This year there are thirty-one girls and eighteen boys. It is directed by Mr. Assenheimer and accompanied by Virginia Hollanshead and Helen Binau.

On March eleventh of this year the chorus presented the operetta "Chimes of Normandy," a two-act musical drama.

In April the chorus sang six selections over WMRN, the Marion Broadcasting station. This was the first performance over the radio for the majority of the members.

Miriam Walton.

The Girls' Glee Club is made up of all girls in the sophomore, junior, and senior years who are interested in vocal accomplishments. This year's membership includes thirty-three girls, eager for the benefits provided by the club. It meets once every week under the direction of Mr. Assenheimer, and is accompanied by Helen Binau.

The glee club is made up of three sections—soprano, second soprano, and alto.

The girls have been called upon several times to take part in chapel programs. They appeared for the first time on the radio this spring. Who knows, maybe that was opportunity knocking.

Miriam Walton.

Boy's Glee Club

Twenty-nine boys comprise the Boys' Glee Club, which meets the seventh period every Thursday under the leadership of Mr. Assenheimer. This group was ably accompanied on the piano by Kathleen Denman.

Their vocal selections were diversified and pleasing to the listener; and their songs in our hearts we bore, long after they were heard no more.

Patricia Cornely.

Junior Chorus consists of sixty-three members under the excellent direction of Miss Virginia Kuenzli. This is one of the most promising musical groups of our school. The chorus is divided into two sections. Each section meets twice a week.

At Christmas, the junior chorus presented the operetta, "A Story of Christmas," with Audrey Enders as soloist. Martha Gabriel was the accompanist for the operetta.

In order to give the students poise and experience in appearing before an audience, each student is required to perform individually once each semester. Long may this group continue to develop their musical talent.

The Hi-Y is an outgrowth of the Y. M. C. A. It is a club for high school boys intended to develop the high standards of Christian character, clean living, clean speech, clean scholarship, and clean sportsmanship. The Hi-Y is almost entirely independent of all other organizations and is managed by the boys themselves with the aid of an adviser or sponsor.

There is a relatively large number of boys belonging to the Hi-Y. This makes possible meetings and parties which the boys would miss otherwise. The Kiddies' Christmas Party in conjunction with the Girl Reserves gives the boys the feeling of being useful to the community. The G. R. furnish candy and oranges and Hi-Y donate rejuvenated toys. The Party is held on the last school day before Christmas. Then there is the annual G. R.-Hi-Y Rabbit Banquet which is really a banquet with a party thrown in for good measure.

The Hi-Y, under the leadership of Mr. Tschantz, the sponsor, has been successful in all its undertakings. The officers are: President, Jim Moon; Vice-President, Richard Schoenberger; Secretary, Dale Blair; and Treasurer, Paul Crum.

We wish the Hi-Y success in every way in years to come.

James Moon.

Girl Reserves

"A Castle of Dreams" was the theme of the Girl Reserves this year. Each meeting was held in an imaginary room of our castle. Addresses on various subjects aided each girl "to find and give the best" and "to face life squarely." We were very capably advised by Miss Alban and assisted by Mrs. Tucker. Our officers were: Adda Jane Weiker, President; Virginia Hollanshead, Vice-President; Patricia Vivian, Secretary; and Rosemary Spellerberg, Treasurer.

Girl Reserves

A few of the high spots of the year were: our annual Gypsy Hike when we crossed the threshold into the castle; our Christmas Party in the nursery where we entertained needy children of our community; the Mother-Daughter Tea in the dining room; and on May 19, at our Senior Farewell, we lowered the portcullis concluding a very successful year. The graduating members hope that the Girl Reserves will enjoy even greater membership in the coming years, and be endowed with the same spirit we have enjoyed.

F. F. A., which consists of all the Agriculture students, is an organization to teach boys, on the level of high school instruction, the modern practice in farming so that future work by them will be more efficient.

Some of the outstanding accomplishments for the year are as follows:

Eleven teams participated in a judging contest at Ohio State University, June 1, 1940. Three boys placed high in this contest. They won first place in a display at the County Fair, second place in live stock, and fourth place in the county corn husking contest.

Work books, written by the instructor, have been used throughout the year in both Engineering and Farm Crops.

A trip taken by the members to Washington, D. C., and the World's Fair proved both interesting and instructive.

The motto for the year was: "More and better projects."

The Phonetic Writers Club is an organization for Senior Shorthand students. It was organized in 1922 and has been continuous in its activities since its origin.

The purpose of the club is to acquaint the members with the qualifications beyond a mere technical knowledge which are necessary to successfully obtain and hold stenographic positions. Talks by the members, and also by out-of-town speakers have been given at the meetings, which were held every month.

This year's officers were: Betty Irvin, President; Mary Jean Emick, Vice-President; and Maxine Lay, Secretary-Treasurer.

Dedicatory Address

W. O. MOORE, *Superintendent of Schools*, Upper Sandusky, Ohio, in accepting the school athletic field at the dedicatory exercises, Oct. 18, 1940, at 7:30 p. m.:

More than twenty-five years ago the members of the board of education considered purchasing this entire block for school purposes. Since that time much has been done to realize this end.

The east side of this field was purchased by the board of education and paid for from tuition received from an adjoining school district. The west side of this field was purchased by the board of education, and mostly paid for by the high school athletic association.

This athletic field was very low in certain parts which required much filling in of earth. The work was done by the state highway department, the county surveyor's office, the trustees of the different townships in our district, and the city administration working with the board of education.

Hazel street on the east side of the field was built and paid for by the different governmental units working with the board of education. In the same manner Walker street on the south side of the field was built. Warpole street on the west side of the field was widened about eighteen feet as a result of board of education and governmental units working together. By the same cooperation the north boundary line on Findlay street was established.

The fence around this field was installed and paid for by 206 generous subscribers in our community.

The scoreboard was built and paid for by two of our loyal citizens.

The flag and flag pole were donated by the ever patriotic organization, the American Legion.

The bleachers on the west side of the field were built and the lights installed, and donated by the combined efforts of the local citizens, headed by the members of the Booster Club.

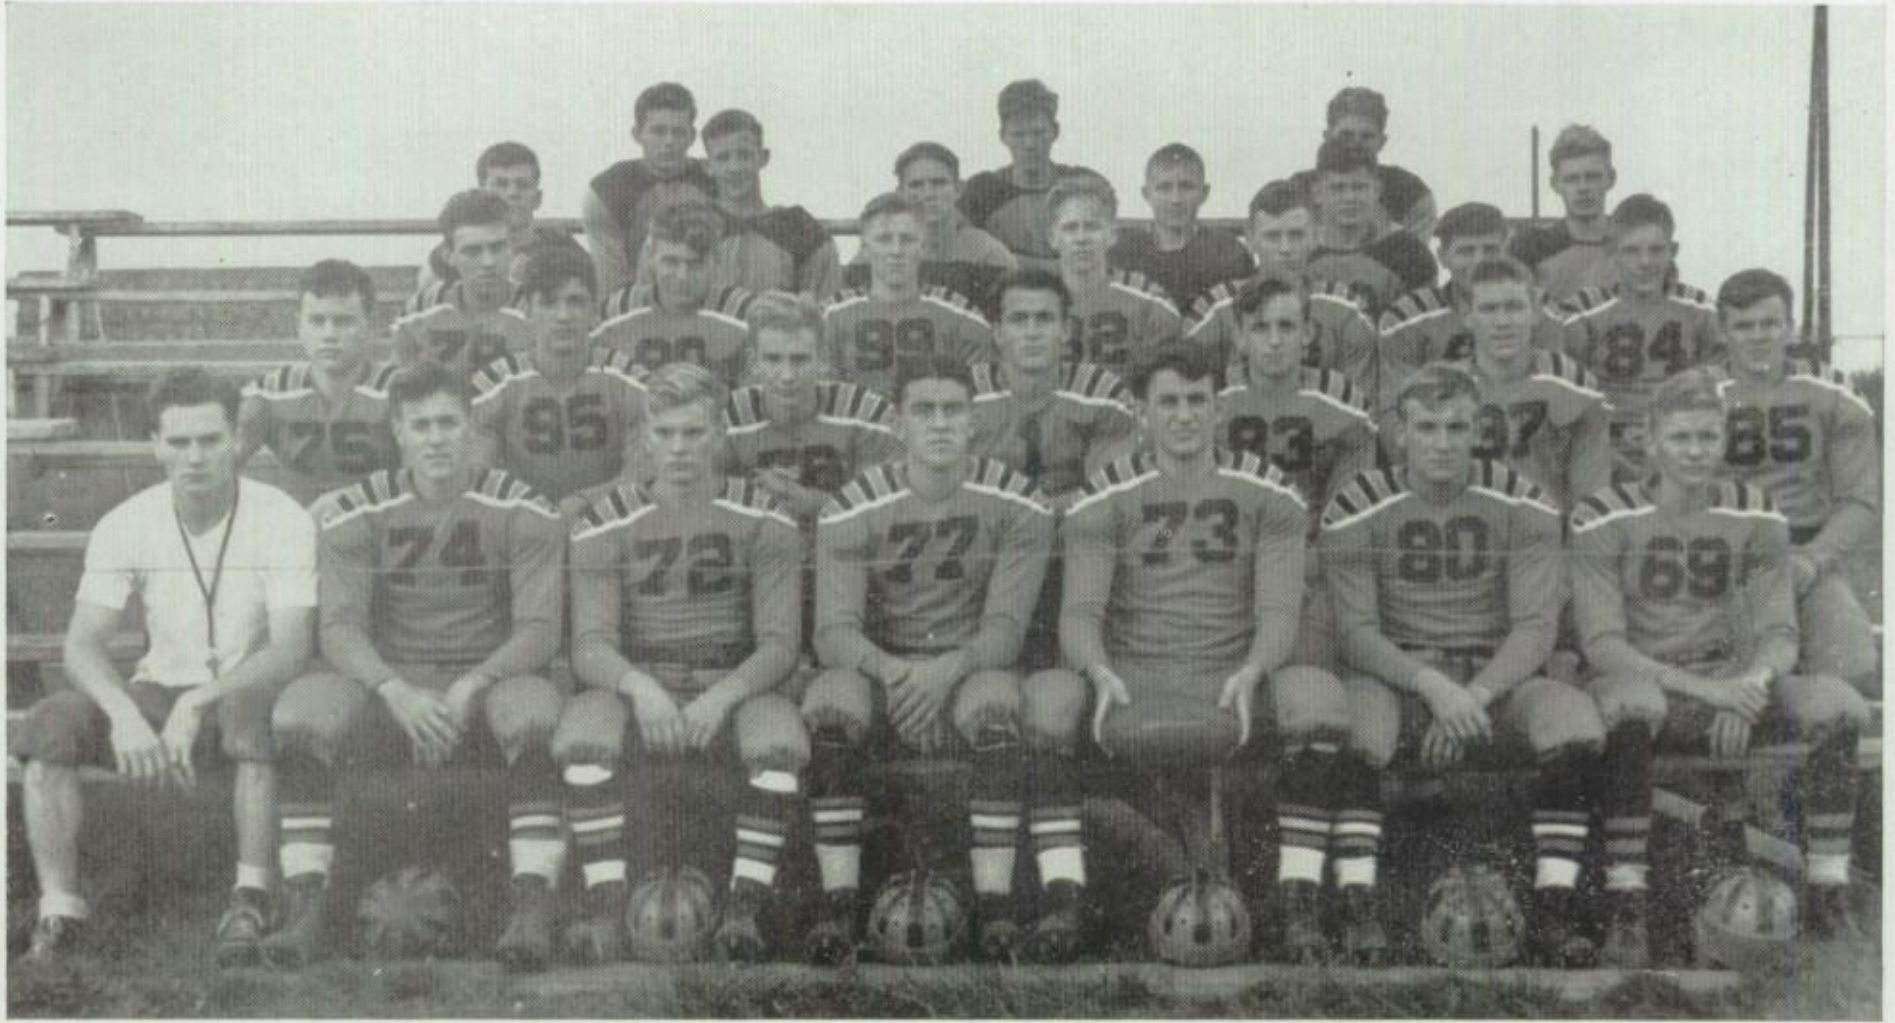

The graduating class of 1940 of the local school has given to the board of education this public address system which we are now using tonight for the first time.

And now as the executive officer of the board of education I accept this lighted athletic field with all the good will which prompted the good citizens of this community to make this occasion possible.

Football

The Rams reported to practice this year under a new coach, Dave Henderson. After two weeks of hard practice, we were led into battle against Mt. Cory by Captain Bill Wood.

Upper scored twice in the first half and converted once to win, 13-0.

The next week the Rams had a job on their hands, as they were traveling to Bellevue. After a gallant goal-line stand during the second quarter, Upper came out full of fire at the half and in seven minutes had scored and converted. The Redmen scored in the fourth quarter, but failed to make that all-important extra point, Upper 7, Bellevue 6.

The following Friday the Rams were shellaced by Bucyrus to the tune of 28-0. Upper threatened only once during the game, but failed to score. This was the first time the two teams had met in football for seven years. We hope they continue the friendly relations.

Tiffin Calvert, one of our rivals, tripped us the following week, 21-13. The Rams were a little over-anxious or they would have won.

October 18 will be remembered for a long time to come. On that night was dedicated the newly lighted football field. Marysville proved to be an unlucky opponent of the Rams as we beat them 21-6.

Fostoria St. Wendelin provided quite an upset when they held the home team to a 13-13 tie.

Ada was Upper's next victim and they were defeated by an inspired home team 14-0.

The next game was the all-important one with Carey, our friendly enemy. Before a crowd of 2700 people, Upper and Carey splashed around on a very muddy field. Because of bad weather, neither team could get started, and so the game ended 0-0.

The team of '40 was the first team in Upper's history to have an undefeated schedule at home. Four wins and two ties. Upper retained the Eagles trophy which they had won the year before.

Of the seniors graduating this year, there were six. Captain Bill Wood, tackle. Bill was big and tough and always gave the best he had. He was a hard man to get around, and was always in the opponents' way.

Frank Robey, center. Frank was the punter on the team. Switched from halfback to center this year, he did fine work in the middle of the line.

Craig Bowman, quarterback. Craig had tough luck. He broke his wrist early in the season, but came back to start where he had been stopped.

Ed Strasser, fullback. This was only Ed's second year on the varsity but he played like a veteran.

Don Young, guard. Donny was small but plenty tough. He was always in there giving the best he had.

Dick Schoenberger, halfback. Dick was our blocking back and always did a good job. Late in the season he showed plenty of power and deception as a runner.

Boys Basketball

The basketball team of "40" and "41" gave the future Upper teams something to shoot at. Of the eight home games the Rams played, they won 7 and lost one. Bluffton spoiled the home record by winning the last game of the season. Away from home the Rams couldn't seem to play as well as at home, winning only two games and losing six.

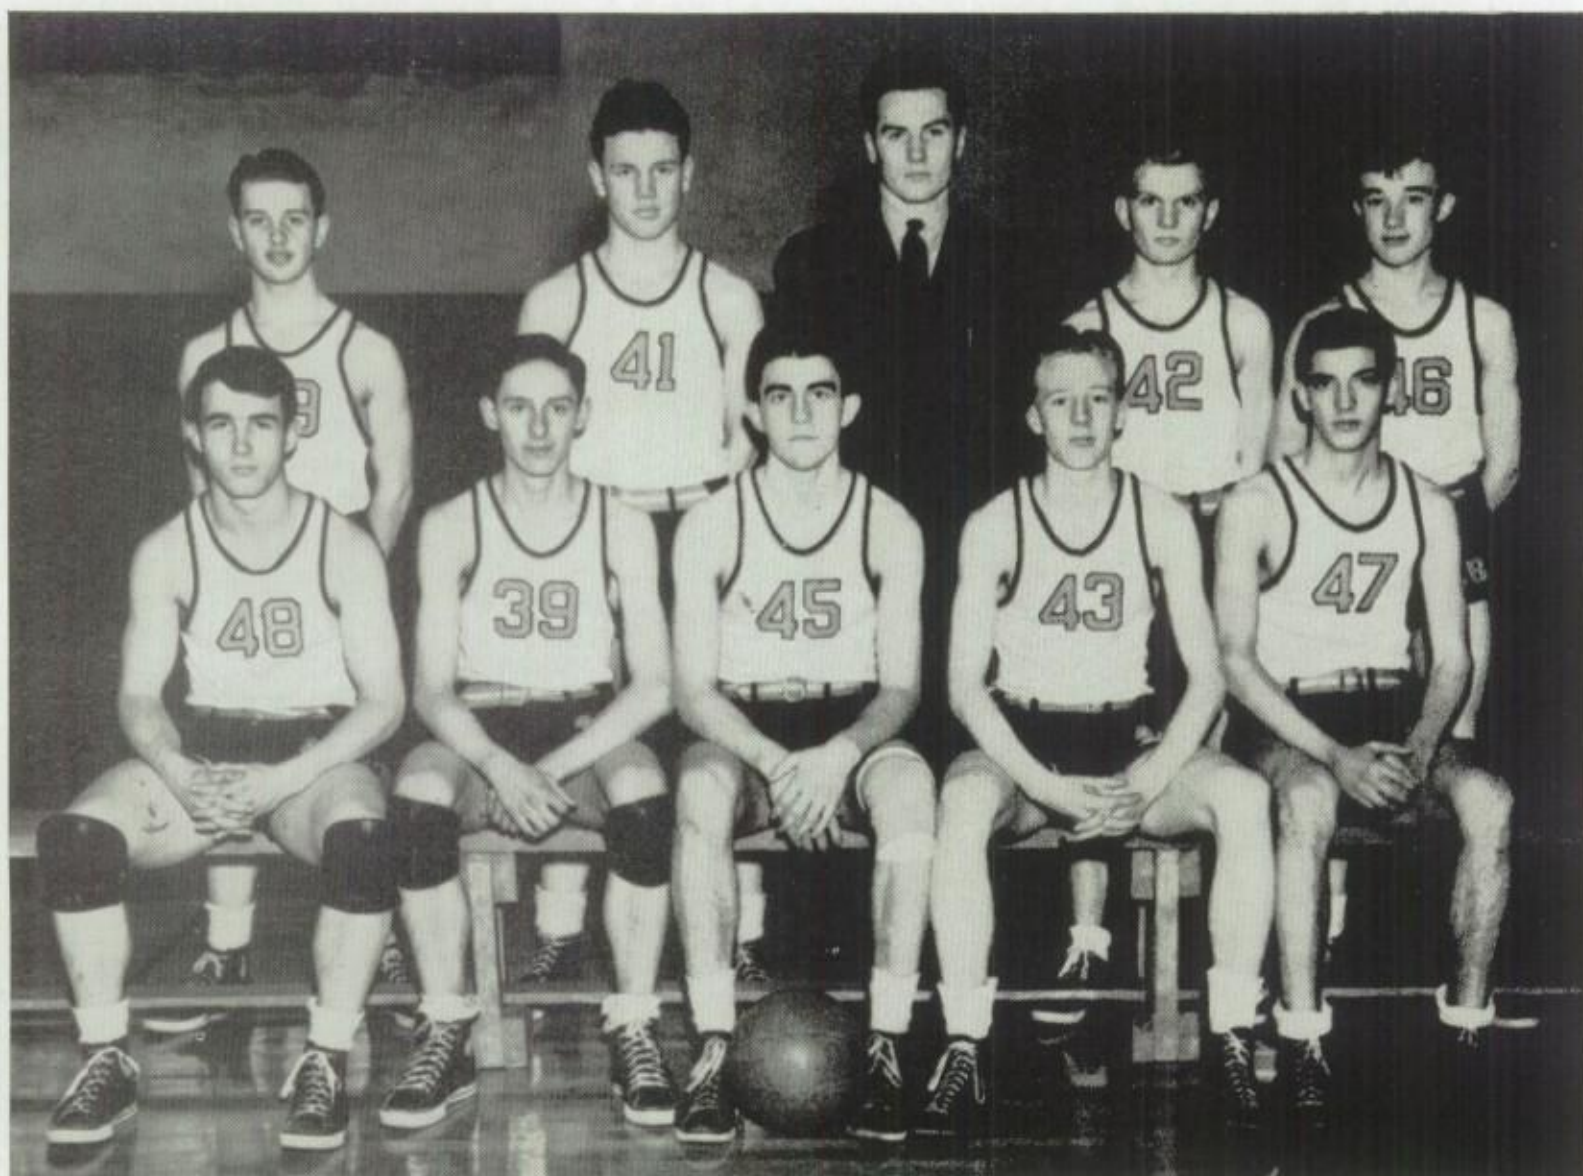

The team looked good even in defeat. They lost two games by four points, and two games by three points. Bluffton beat Upper by ten points for the worst defeat of the year. There were only three seniors on the team: Richard Schoenberger, Frank Robey, and Craig Bowman. Schoney, a forward, and Robey, center, were the leading scorers on the team.

 RUSSELL WOLFE DWIGHT KOEHLER FRANKLIN ROBEY CREIGHTON MOON LAWSON ILES

RUSSELL WOLFE, a junior, an aggressive player and reliable defense man, was the fastest player on the floor.

DICK GUENTHER, a junior, has shown a flashy style both on the scoring angle and in defense work. His excellent ball handling kept the other team "on the jump."

CHUCK SLEMMER, another junior, was not a regular starter, but he showed us that he has what it takes to develop into a dependable basketball player.

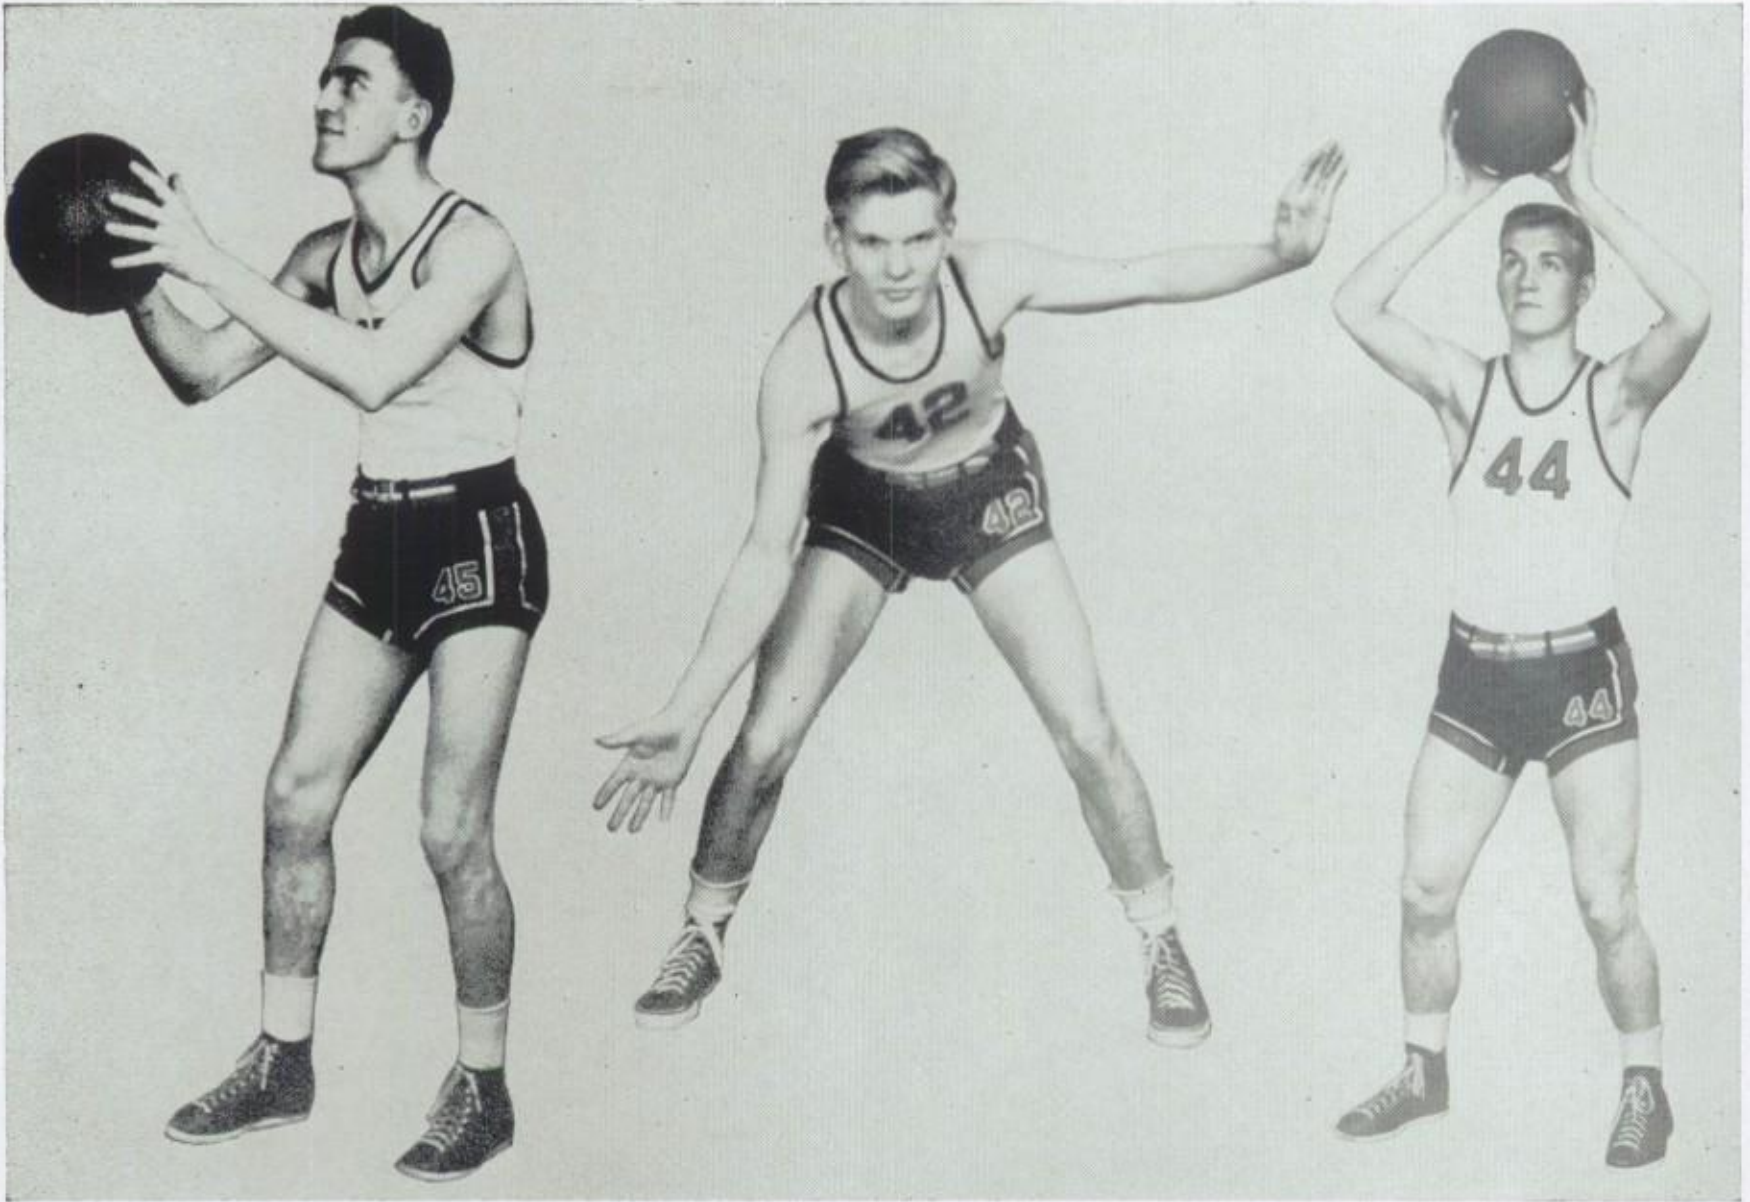

DICK GAVER, also a junior, may be the smallest man on the team, but he showed us that he was not the least in skill and sportsmanship.

CREIGHTON MOON, also a junior, was always quiet, but showed his spirit by his excellent playing.

LAWSON ILES, another important junior, scored few points himself, but helped many others to score with his accurate passing.

DWIGHT KOEHLER, our youngest player, a sophomore, whose height was a great asset, was center and helped in the scoring division.

Basketball

Seniors

DICK SCHOENBERGER, a senior, was our high point man for the season. His snappy defense work and cheerful spirit will be greatly missed next year.

FRANK ROBEY, another senior, was our center. He was one of the leading scorers and his brilliant defense work and ability to recover the ball from the bankboard, were results of his four years' experience.

CRAIG BOWMAN, our other senior, was an important guard in addition to being our longshot artist. He was always in there fighting with a determination that wins our utmost respect.

Bowling

ANNUAL STAFF

As the name of this team implies, it was made up of Annual Staff members. The members of this team from left to right: Murray Withrow, captain; "Dick" Swoverland, "Bill" Milum, "Eddie" Strasser and "Bill" Wood. This team had the best averages, between 145 and 155, and therefore proved to be one of the leading contenders in the pennant race. All the boys on this team have had two or more years experience and some of the highest games of the year were rolled up by them. None of these boys will be back next year so we bid adieu to these five seniors.

RECREATION PIN BOYS

This team was made up of pin setters from the Recreation Bowling Alley. The members are from left to right: Tommy Beinbrech, captain; Marion Bardon, Melvin Iles, Harold Bardon and Leroy Gottfried. Harold Bardon, and Leroy Gottfried are both seniors and were the "big guns" on this team. Leroy Gottfried was the proud possessor of the highest average of any bowler in the High School League, averaging 167.

MAPLE KINGS

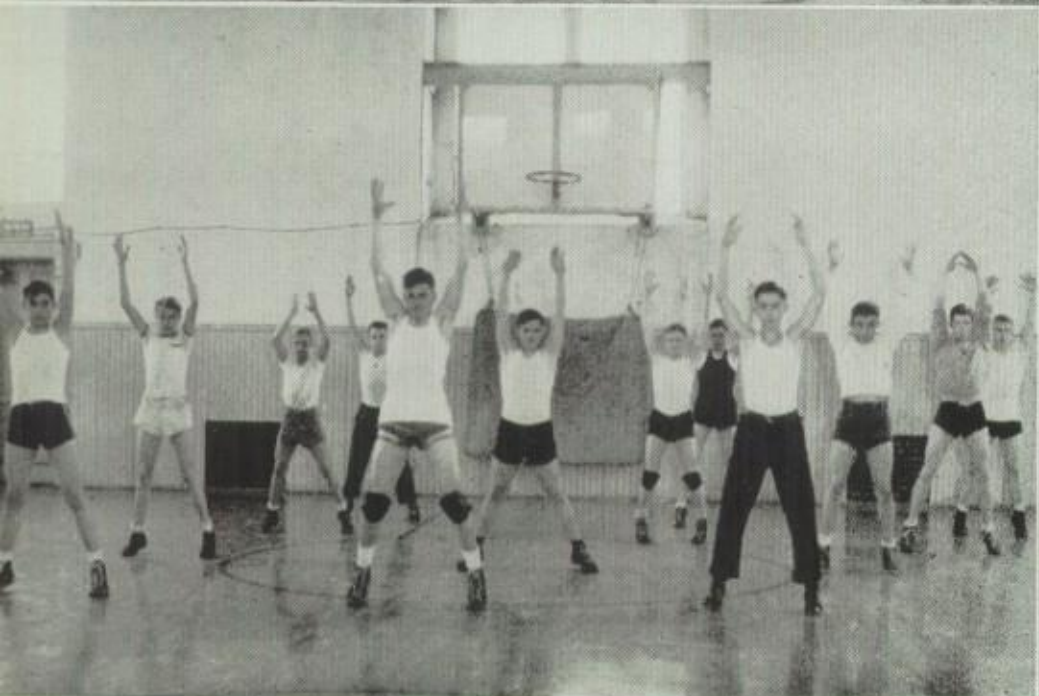

Always in the midst of a good tough battle, this team was regarded as "competition." The members from left to right are Paul Krock, Tom Kelly, Bob Vivian, Stark "Blinky" Leser, and Don Young, captain. Paul Krock and Don Young are the only seniors and the other three will give hardy competition to next year's teams. This team won a close game this year when they defeated the annual staff team after a tie game. The teams bowled an extra frame and were still tied. On the next frame, Captain Young struck out to win for his team.

PIN CRUSHERS

Though this team was rather inexperienced, they showed a fighting spirit and the will to win that proved to be a constant threat to the other teams. This team had a special way of winning over the league leaders whoever they might be. The bowlers are from left to right: Frank Smythe, Eugene "Huey" Vogel, Minor "Bud" Shafer, Paul "Dewey" Dillon, and Captain Tom Strasser. None of these boys are seniors and they will prove to be one of next year's leading teams.

Boys' Physical Education

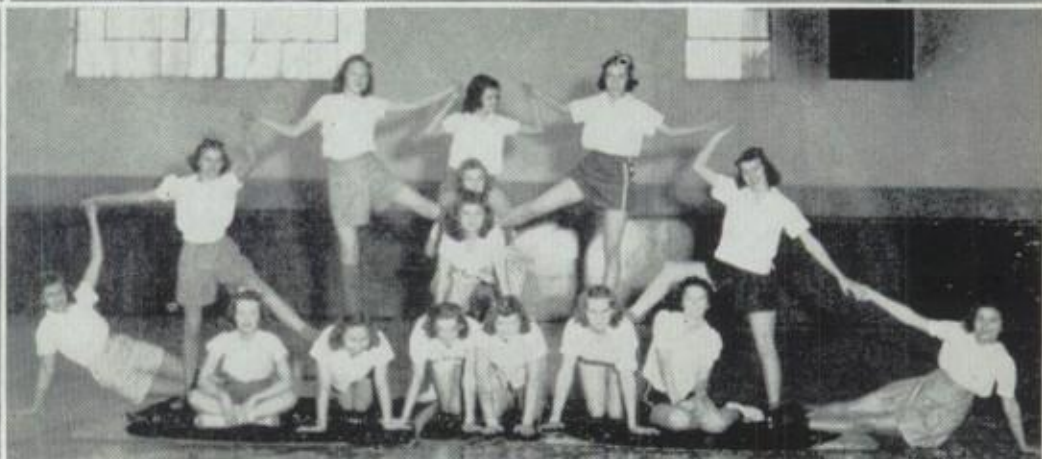

The Physical Education classes include boys from the seventh to the twelfth grades, inclusive.

During the winter months, they hold classes in the gymnasium. They play basketball, volley ball, and have boxing and tumbling. In the warmer months, they hold classes outside where they play football and baseball.

The Boys' Physical Education Classes are under the direction of Coach Dave Henderson.

Richard Schoenberger.

Girls' Physical Education

The Girls' Physical Education classes consist of both junior-high and senior-high girls.

During September, October, and November the girls participated in out-of-door games playing baseball and soccer baseball. The major winter sports were: volley ball, basketball, tumbling and folk dancing.

In connection with the games, a health class was held once a week during the year. In this class Miss Schultz taught the girls many helpful things and she deserves much credit for her supervision.

Some of the members of the classes gave a demonstration of their work between halves at several basketball games this year.

Altogether, the girls enjoyed these classes very much and wish continued success to future physical education classes.

Baseball

The Rams elected Frank Robey and Craig Bowman as co-captains to lead the first baseball team for Upper in several years.

The Rams opened against Marseilles and gained a 7 to 5 victory behind the pitching of Bob Vivian. Upper then dropped a 5-inning game to McCutchensville despite the 3-hit pitching of Eugene Vogel.

The lineup was as follows: catcher, Frank Robey; 1st base, Dick Schoenberger; 2nd base, Murray Withrow; 3rd base, Craig Bowman; short-stop, Dick Guenther; left field, Dick Gaver; center field, Franny Lenhardt; right field, Jim Walton or Dick Lucas; pitchers, Bob Vivian, Eugene Vogel and Paul Crum. Two seniors led the batting, Withrow and Robey, around .350. The other two seniors, Bowman and Schoenberger, along with Withrow and Robey showed fine team spirit besides playing a heads-up ball game.

THE PLOT IN BRIEF

Jeff Sterling, student football manager, is anxious to have Chuck Malloy, who is a whiz at football, but a dud at Ancient History, admitted to Dartford College. Jeff, Shirley, Rosemary, and Gladys conceive a plan to persuade Prof. Stubbs to give Chuck another history test. After Jeff has been sent to bring Chuck, Rosemary remembers her intelligent cousin, Cuthbert, who arrived too late to take the examination. She and Shirley persuade Cuthbert that he will be the biggest hero on the campus if he will take the examination for Chuck and thus get Chuck into Dartford. When it is all over, then, Dr. Stubbs, impressed with Cuthbert's knowledge of history, will want him to enter without further ado—thus "killing two birds with one examination."

When Cuthbert has taken the test and impressed Prof. Stubbs very much, Jeff arrives with Chuck—results—they seemingly have ruined Chuck's chance for another history test, have Cuthbert in such a jam that they won't let him register, and have Prof. Stubbs fired.

Another plan follows—that of revealing to Dr. Kimball, who wants a new library for the college, that Chuck's Aunt Kate has millions. Not knowing whether Aunt Kate is interested in a college library, by all cooperating, each brings in an "Aunt Kate" of his own who is quite willing to endow the college with a new library. Finally, to the relief of everyone, Aunt Kate arrives on the scene, and proves to be a sensible, likeable person who, in the end, sees that everyone gets his just dues, including Chuck, Cuthbert, Dr. Stubbs, and the College.

Junior-Senior Prom

The Junior-Senior Prom was held in the auditorium on Friday, May 23, in honor of the graduating seniors. The enjoyable evening justified the time and energy spent by the juniors. The unusual decorations added greatly to the pleasure of the dancing juniors and seniors.

Alumni Banquet

The Alumni Banquet was held in the auditorium, Saturday, May 31. Cut flowers were ingeniously displayed to simulate a garden. All who attended enjoyed the evening immensely. The senior class wishes to thank the Alumni Association for this excellent reception.
